

Aescap 2.0 gets new name: Aescap Life Sciences

We would like to inform you that the fund will change its name to 'Aescap Life Sciences'. After operating under the name Aescap 2.0 for almost 5 years, we feel our new name better represents our investment focus and the impact our companies have on the life of patients in need.

As of March 1st, the name "Aescap 2.0" will not be used any longer. For you as an investor there will be no changes.

Also, our investment strategy will not change. The ISIN code and Bloomberg ticker will remain the same.
